NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

Last week in this column we took a look at the first of two Constitutional Amendments to be voted on April 22. This week we would like to take a look at the other one. The first dealt with the state retirement program and this second one deals with higher pay for our Legislators.

Under proposed Amendment Number 2, members of the Legislature would get a pay raise from \$400 a month to \$600 a month.

The amendment also provides for an increase in the per diem allowance from \$12 a day for the first 120 days of each regular session and 30 days of each special session to \$30 for each day of each regular and special session.

Currently, state representatives and senators are limited to \$2.50 for every 25 miles they travel from their homes to Austin. The proposed amendment would change this to reimburse legislators at the same mileage rate as all other state employees as set by law.

Proponents of the amendment argue that a legislator can no longer be considered a part-time official, and \$4,800 a year is not adequate compensation for the time he devotes to public duties. Those against the amendment contend that these inflation-plagued days are hardly the time to consider increasing the cost of government.

Those for the proposal also argue that raising the salaries to \$7,200 a year would attract many qualified persons who are unable presently to make the financial sacrifices necessary to seek a seat in the Texas Legislature. Opponents of the measure say that because of high campaign costs, those without substantial financial resources will be discouraged from running away, regardless of the higher salary.

An argument for increasing the per diem allowance holds that the \$12 a day authorized in 1960 is hopelessly out of date, and that \$30 a day is easily justified by today's cost of living.

Opponents argue, however, that the \$30 allowance—with no limitation on the number of days it can be paid—could result in slowing the legislative process, burdening the taxpayer with ever-higher government costs.

There is little argument that legislators should get more than 10 cents a mile for driving their cars to Austin. However, opponents contend that the proposed change (presently set at 16 cents a mile) could be abused because there is no limit set on the number of trips a legislator could make to and from the capital.

We hope all Texas voters will take the time to familiarize themselves with these proposed amendments and express their opinions at the polls on April 22.

Randy Elmore Gets Top FFA Award

Randy Elmore received the Fred B. Moore Jr. Agriculture Award here Monday evening at the annual Hamlin Chapter Future Farmers of America Parent and Member Banquet. This is the top award presented by the local chapter and is presented to the outstanding senior member.

STATE REVALIDATION STUDY—

Hamlin Day Care Center Needs Cited

Claudia McMillan, state licensing representative for the State Department of Public Welfare, visited the Hamlin Child Care Center April 8 for a standard by standard evaluation of the building, grounds and equipment as specified in "Minimum Standards for Day Care Centers."

The results of the evaluation will be sent to contract services. The

Center's revalidation is due in late July.

Ms. McMillan reported the following items needed for the local center: set of plastic fruit and vegetables; a small mop for the home living center; wheeled toys such as tricycles or wagons; three flannel boards; at least one 12-piece set of figures of people and animals; five wooden puzzles; tempera paints; 12 books with bright pictures of cloth or other

sturdy construction for children one through three. It was also suggested that a magnifying glass for the science area be obtained.

She commented that the planned outdoor sand areas will be an excellent addition to the already well-equipped yard.

Mrs. Bobby Crowley, Center administrator, and Mrs. L. C. Bonds, secretary of the Hamlin Board of Community Development,

said that anyone who could donate any of these needed items may contact them.

Also needed at this time are mop and broom handles that can be made into stick horses for the children.

Anyone with discount coupons for food or other items that they would like to donate may leave them at the Center or the BCD office. These include coupons for diapers, paper goods, soap, and food.

IN EQUIPMENT GRANTS—

School to Receive \$75,000 From State-Federal Programs

Bob Hawes, Hamlin School superintendent, said here Monday that the school board's trip to Austin Friday was very beneficial for the district. Trustees for the Hamlin Independent School District spent Friday in Austin with state educational leaders seeking financial help and advice.

The trip was arranged following the district's recent loss of its junior high school building by fire.

Hawes said both Alton Bowen, associate commissioner of education, and

Cecil Rusk, executive director of Texas Association of School Boards, commended the board members for the concern for the district's plight. All seven members of the board and the superintendent made the Austin trip.

Hawes said that the board was promised nearly \$75,000

in aid from state and federal funds to help replace equipment and books lost in the fire. This money is from funds unclaimed during the current fiscal year.

At this time the board does not know the amount of funds that might be available from the next fiscal year.

The school is expected to

receive \$61,786 from the National Defense Education Act, fiscal year 1973, and \$8,340 from fiscal year 1974. Both of these funds are matching grants. The School was promised \$4,811 from Title II funds from fiscal year 1974. This is a full grant. The total to be granted to the local district at this time is \$74,937.

The money is to buy equipment, books, and other supplies needed by the district and must be purchased before the end of the current fiscal year.

Drugs Taken In Break In

All of the amphetamine drugs in stock at Howard Drug were stolen here early Wednesday morning when the side glass door of the drug store was broken. The drugs were taken from a locked cabinet in the drug department.

The break in occurred at 2:25 a.m. Wednesday. Officer Richard M. Mullins was on duty at the time at the intersection of Central

Avenue and Lake Drive when he heard glass being broken. By the time he got to Howard Drug at North Central and Southwest Third the intruder or intruders were gone.

The missing drugs are Class Two Drugs in the barbiturate class.

The preliminary investigation was conducted by Officer Mullins, Chief Ed Wheat and Jones County Deputy Sheriff Bill Erwin.

Hamlin Wins District Golf Title Monday

The Piper golf team captured the district title here Monday with a team total of 323 points. The district meet was held at the Hamlin Country Club. Stamford took second place with a team total of 348 points. Both first and second place winners qualified for the Regional meet to be held in Andrews April 23-24-25.

Hobie Bolin of Colorado City shot a 74 for medalist honors and Gary Creason of Hamlin was second medalist with his 77. First and second high individuals also qualify for Regional.

Taking the first place trophy for Hamlin were Creason, 77; Jerry Briscoe, 79; Blain Lewis, 79; Ricci Harugthy, 88; and Eddie Offield, 89.

Winters took third in the team totals with 354 and were followed by Ballinger with 362, Colorado City with 370; Winters B with 373, Colorado City B with 392, and Hamlin B with 428.

Bad Weather Postpones Hike-Bike Fund Drive

The Hike-Bike for the Retarded, which was cancelled Friday because of inclement weather, has been re-set for Sunday April 27, according to Mrs. C. L. Howard, chairman.

The event is being sponsored by the Future Homemakers of America, Hamlin chapter.

The students who will participate in the event are to meet at the high school parking lot at 1:30 p.m. Each student must make

arrangements for a sponsor or sponsors.

The Hike-Bikers will ride toward South Lake on FM 1636. They will be served refreshments before they return to town. Plans are for the group to be back in town by 5:30 to avoid conflicts with church activities.

All students are invited to take part. Further information is available from Mrs. Howard or an FHA member.

Foursquare Church In Revival Here

Hamlin Foursquare Church is holding a revival service April 16-20 with the Rev. and Mrs. Floyd Bailey of Knox City bringing the messages. Services are to be each night at 7 p.m.

The Rev. Claud Fry, pastor, extends a welcome to everyone, stating, "We're expecting God to do great things."

April Showers Brings .9 Rain

April showers have added 90 to the year's total precipitation being recorded by Bill Rountree.

These amounts were recorded on the following dates: April 8, .60; April 10, .12; April 11, .10; April 12, tr.; April 13, tr.; and April 14, .08. All measurements are recorded at 5 p.m. each day.

AT DISTRICT 6-AA MEET—

Pipers to Open Track Title Defense At Anson Friday

The Piper track team will open the defense of their State Track Championship this week at the district level when they travel to Anson Friday for the District 6-AA meet. Hamlin has won the state title for the past two years.

Field events for the district meet will open at 1 p.m. Friday and will be followed by prelims in the running events at 3. The finals in the running events will open with the 440-yard relay at 7 p.m.

First and second place finishers in the district meet will advance to the Regional meet to be held the following Friday and Saturday at Odessa.

Running without the services of Johnny Jones, state 100 and 220 champion, the Pipers finished second at Ballinger last Saturday with 74 points. Brady won the meet with 114 points.

Johnny is expected to be ready for the district meet Friday following a pulled muscle two weeks ago.

The Pipers picked up their only first place in the 440-yard relay at Ballinger with a new record time for the meet of 43.9. Delbert Thompson subbed for the injured Jones. Others on the team were Mac Lee, Robert Phariss and Oscar Marshall.

Hamlin results were:

440-yard relay: 1. 43.9 (new record).

120-yard high hurdles: 5. Paul Reynolds, 16.1.

100-yard dash: 4. Mac Lee, 10.6; 6. Robert Phariss, 10.7.

440-yard dash: 2. Delbert Thompson, 52.1; 5. Steve Evans, 53.2; and 6. Luke Reynolds, 54.3.

220-yard dash: 5. Oscar Marshall, 23.3.

1 mile relay: 2. 3:29.6 (Delbert Thompson, Luke Reynolds, Steve Evans and Oscar Marshall).

Pole Vault: 2. Robert Phariss, 13'11".

Broad jump: 4. Robert Phariss, 19'3".

Discus: 3. Luke Reynolds, 128'11".

Six Flags Introduces New Attractions As Season Opens

ARLINGTON—Six Flags Over Texas opened its 1975 season Mar. 15 unveiling results of a million dollar attraction and improvement program.

Heading the list of new entertainment features are a glittering nighttime parade and a major illusion show.

A new thrill ride, called the Rotoriculous, will be introduced prior to the summer tourist season, as

will an antique airplane ride designed for children. All the new features are themed around the "inventions" of Prof. Cyrus Cosmo, a costume character developed exclusively for Six Flags Over Texas.

Each evening Prof. Cosmo is joined by a group of his costumed friends in The Incredible Electric Light Brigade Parade. Cosmo clambers aboard his

brilliantly lighted Cosmobile to lead such marchers as Capt. Dynamo, King Electro, the Electrophant, and Father Light through the streets of Six Flags. A brass band heads the parade lineup which features electrically powered, animated floats, illuminated with hundreds of blinking lights.

Cosmo, described by his creators as a "part-time inventor, part-time illusionist, and full-time showman," is also the star of the Cyrus Cosmo Wonder Show.

He displays his wit and talent with baffling

illusions, starting with a trick in which he makes himself appear from "nowhere." And as the show progresses strange things happen at Cosmo's command, including passing neon tubes through his assistant's body.

The magic show will be staged in Six Flags' Music Mill Theater on days when no name entertainers are appearing there.

Six Flags' younger guests can take a flight aboard a tiny antique biplane when they visit the C. Cosmo Flying Machine Co. It's a new feature in the parks' Con-

federate section.

Early in the summer Six Flags will open the new Rotoriculous ride. The 13-speed thrill ride, housed in a specially-designed, octagonal building features an elaborate "light and sound experience."

Projections on multiple screens combine with bright, flashing lights and strange sound effects to give the ride a mind-boggling outer space aura.

The new attraction, unique in the theme park world, is currently under construction in the Good Times Square area.

Six Flags General Manager Dan Howells said, "A lot of imagination has been put into the new characters, shows, and rides, and we think our guests will find the results exciting."

"The addition of the illusion show and the night parade will mean that Six Flags Over Texas' visitors can enjoy more than three and a half hours of shows."

"In addition to the new attractions for 1975, many areas of the park have taken on a totally new look as part of our continuing improvement program. Visitors will find the park more beautiful than ever."

Prof. Cyrus Cosmo will make his first public appearance at the park's grand opening ceremony March 15. Six Flags Over Texas will be open on weekends from 10:00 a.m. until 10:00 p.m. during the spring months. Daily operation begins May 24.

First Grade Gives P-TA Program

The first grade students under the direction of Reba Jackson presented a pantomime of "Cinderella" for the April meeting of the Hamlin Elementary Parent-Teachers Association Thursday afternoon in the primary cafeteria.

State Life memberships were presented to Mrs. John Howard Jr. and Mrs. Leldon Clifton by Mrs. Joe Don Hymers.

Mrs. Guy Weaver, president, presided. The devotional and prayer were given by the Rev. Stephen White, pastor of Holy Trinity Catholic Church.

Mr. and Mrs. Robert R. Flores of Rotan are parents of a boy, Mark Anthony, 7 lbs., born April 9 at 6:21 a.m.

Health Tips

Texas Medical Association

TAKE MEDICINE WITH CARE

Ever wake up, or at least about half awake, in the night with a splitting headache? Or a pain in the tummy? And stumble into the bathroom and reach for a bottle in the medicine cabinet? And gulp down a pill or two, or a spoonful of medicine?

Sure. All of us have. And we're risking serious trouble in taking medicines carelessly.

The medicine was prescribed by your physician, and he included specific orders for size and frequency of dose and how to take it. The Texas Medical Association reminds that there is a good, sound reason for these orders, and they're meant to be followed.

A few simple rules for taking medicine can help to avoid an accident that may make your minor discomfort a lot worse.

—Never take medicine in the dark. Be certain you can see the bottle or pill box, to make certain it's the right one. If you need glasses, put them on.

—Read the directions carefully before taking. Those directions are there for a reason — your health.

—Don't increase the dosage or take more often than directed without checking with your doctor.

—If the label says "Shake well before using," it means what it says. Shake it. —Don't take medicine prescribed for someone else. Just because it helped your husband's cough doesn't mean it's right for you.

—Keep medicine out of reach of children. The small child who is rushed to the hospital after eating a whole bottle of sugar-coated tablets is an all too common occurrence.

—Put the cap back on the bottle. Some medicines change strength if exposed to air too long.

—Keep the medicine in its original box or bottle. Shifting sleeping pills to an aspirin bottle, for instance, could produce dire effects for someone else in the family.

GED Tests Set Today In Rotan

The General Education Development Test will be given at Rotan High School today (Thursday) beginning at 6 p.m.

Five tests will be given in English, literature, social studies, science and mathematics. If a person passes the test, the Texas Education Agency will issue a High School Equivalency Diploma.

For other test dates contact Mrs. Patsy Hamric, in Rotan at 735-3370 after 5 p.m.

Mr. and Mrs. Jesse Houghton, Ginger and Jerry went to Old Mexico and the Big Bend Country with Mrs. Houghton's parents, Mr. and Mrs. Garland Jonas of Abilene, over the weekend.

Mr. and Mrs. Troy Money and Mrs. Deborah Harrell attended the funeral of a sister-in-law, Mrs. Clara Money, in Durant, Okla. last Wednesday. They visited relatives in Dallas before returning home Friday.

Visiting Mr. and Mrs. Fred Rosenbaum over the weekend were Mr. and Mrs. D. T. Downey of Fort Worth and Mr. and Mrs. J. D. King of Dallas. All attended the Neinda homecoming Sunday.

TEXAS LEADS NATION—

Tornado Season At Hand

College Station— Texas had the dubious honor of leading the nation in the number of tornadoes last year with 116. And another tornado season is at hand.

"Most tornadoes occur during April, May and June during the late afternoon although they can occur at any time of the year or any time during the day," points out Wayne Keese, agricultural engineer with the Texas Agricultural Extension Service.

Most tornadoes occur in the South and between the Rockies and the Appalachians.

"With a total of 944 reported tornadoes in the United States last year and 361 resulting deaths, 1974 was the worst year for tornadoes since 1925," points out the Texas A&M University System specialist.

Although the average annual number of tornadoes reported has quadrupled in the past three decades, the number of tornado fatalities has been decreasing. This is probably due to better methods of sighting tornadoes, warning systems and advance preparation for tornadoes, notes Keese.

Tornadoes usually travel southwest to northeast and stay on the ground about 10 minutes. Their forward speed is about 30 miles per hour but wind speeds in the funnel of a tornado get up to 300 miles per hour.

"Because tornadoes are so erratic, it's hard to tell just where or when they will occur," points out the engineer.

He stresses the importance of having a well rehearsed plan for quick action if a tornado is sighted.

The National Weather Service issues a "tornado watch" when atmospheric conditions are favorable for tornadoes. A "tornado warning" is issued when a tornado has actually been sighted or detected by radar.

"If a tornado watch is announced, stay tuned to a radio or television for weather advisories. A tornado warning demands action, so you should quickly move to a basement, cellar or civil defense shelter," advises Keese. "Keep a battery-powered radio handy in case power is lost."

If your home doesn't have a basement or cellar, go to the lowest level in the center of the home or get in a closet or small room or under heavy furniture, suggests the engineer. Open a few windows to allow for sudden air pressure changes.

"Stay away from windows and buildings such as gymnasiums and auditoriums with wide free-span roofs. If you live in a mobile home, move to a shelter area. If you are caught in open country, move away from the tornado at a right angle to its path or lie flat in a ditch or ravine," he adds. "Do not stay in your car if you cannot safely evade the tornado by driving away from it or at right angles to its path."

If you sight a tornado, report it promptly to the nearest law enforcement officer, but do not tie up the phone with unnecessary calls.

"After a tornado, always wear thick-soled shoes and gloves in cleanup work and watch for broken gas pipes and downed electrical wires," warns Keese. "Don't light matches or smoke in or near a building that has been hit by a tornado until you are sure there are no gas leaks."

"Furthermore, stay away from disaster areas unless you're helping with rescue and cleanup operations."

THROUGH FRIDAY—

Debra Brown Holds Senior Art Show

The Senior Art Show of Debra Brown is being held this week in the art department of Hardin-Simmons University. The show opened Sunday afternoon from 2 to 4 p.m. and will continue daily through Friday from 8 a.m. to 5 p.m.

Miss Brown will graduate in May. She will receive a bachelor of science in all level art with a major in art education.

Visitors to the show see her work in sculptures, drawings, batiks, paintings, prints, ceramics and designs. Featured are some of her ebony pencil drawings of Hamlin people. Her favorite mediums are sculpture and drawing, she noted.

Local Brownies To Attend Camp At Sweetwater

Hamlin Brownie Scout Day will be held at Camp Boothe Oaks south of Sweetwater Saturday, April 26.

Brownie Troops 300 and 354 and their leaders will leave the Hut at 8:30 a.m. and will return about 3:30 p.m. to the Hut. Girls need to be there on time and parents should meet them when they return.

Each girl is to bring a sack lunch and two canned drinks. The girls should wear clothing appropriate for camping—no short shorts, sandals, or halters are allowed. Socks must be worn.

Hamlin Brownie Scouts are first, second and third grade girls who are members of the West Texas Girl Scout Council.

The leaders will accompany the girls. Leaders are Mrs. Thomas Welch, Johnny Waldrop, Sam Mack Hodges and Ronnie Lincoln, Troop 354. Troop 300 leaders are Mrs. Curtis Payne and Debbie Haag.

She has studied under Ira M. Taylor, head of the art department, and Claude Salley and Jim Robinson at Hardin-Simmons.

She is presently vice

president of Kappa Pi International Art Fraternity. Daughter of Mr. and Mrs. James W. Brown, she was graduated from Hamlin High School in 1971.

ARTIST EXPLAINS WORK—Debra Brown, senior art major at Hardin-Simmons University, explains the background of her work, "Man and Woman." She tells how the ceramic piece changed form several times while in the making. The man is depicted in larger proportions with the eyes and nose as dominate features. The woman is shown with the mouth and the same lines for the nose. With Debra are, from left, her father, James W. Brown, her grandparents, Mr. and Mrs. Roy C. Brown, and her mother, Mrs. Brown.

Bridge Winners

Mr. and Mrs. Thomas McMillan of Abilene were first place winners in the Tuesday evening competition of the Hamlin Duplicate Bridge Club.

Eastern Star Plans Sidewalk Sale April 26

Hamlin Chapter No. 460 Order of Eastern Star will participate in the sidewalk sale to be held April 26.

Proceeds from the sale will go to the Worthy Grand Matron's special project this year which is kidney research. Hopes are to receive enough money through each subordinate chapter's sales and projects to be able to buy two dialysis machines to be placed in hospitals in Texas.

If any members need to have their articles for the sale picked up, call 576-2513 by Thursday, April 24. Others should bring their things by Mar-Jo's Saturday morning.

FROM THE FILES . . .

FIFTY YEARS AGO (April 17, 1925)

On Sunday, April 19, the McCaulley Church will have an all day service, under the tabernacle.

Rev. Morony, of Sweetwater has been delivering two sermons each day since Monday of this week at the Baptist church. If the readers of the Herald have been attending these meetings he or she will realize that it is a hard matter for one to express just how clear and forceful every talk has been.

Forty-three reported to the Euzelian Class last Sunday and each heart was stirred by the lecture given by Mrs. Reaves about "The Cripple at the Beautiful Gate."

Mrs. P. A. Fowler and Mrs. W. T. Sherry delightfully entertained on April 9 from three to five o'clock. Decorations suggestive of the Easter season were used and also featured were the dainty score cards and booklets where seven tables were at play.

Mr. and Mrs. S. A. Bailey and daughters, of Kenna, N. M., came back to good old Hamlin last Friday to see old friends.

Newman Bender, who has been in California working for the S. P. Railway returned home Monday for a thirty days' stay with his parents, Mr. and Mrs. G. H. Bender.

J. W. Cornelius returned Sunday from San Marcos and San Antonio where he spent several months visiting relatives.

Mrs. Willie Armstrong and her little daughter of Maytown, Brown County are here to spend a visit with her parents, Mr. and Mrs. F. D. Stewart.

TWENTY YEARS AGO (April 15, 1955)

Truman Nix, 29-year old assistant football coach at Andrews High School for the past four years, was named head football coach for Hamlin High School at a special meeting of the board of trustees of Hamlin Consolidated Independent School District Tuesday evening.

Traffic was routed over the new stretch of highway constructed at the five-mile curve on Highway 83 southeast of Hamlin last week.

Dr. L. L. Trott of Abilene, District 17 missionary, will be in the pulpit of the First Baptist Church at both worship services, according to the Rev. Houston Walker, the pastor.

New president of Hamlin Lions Club elected for the fiscal year beginning July 1,

named at the Tuesday luncheon of the club is Dr. W. S. (Bill) Seal, Hamlin dentist. He will succeed W. T. Johnson.

Onis Crawford, who has been secretary - manager of the Hamlin Chamber of Commerce since June, 1954, Tuesday resigned the post, effective May 1. He will accept a similar position on that date with the Merkel Chamber of Commerce at a nice increase in salary.

Rainfall in the Hamlin section was given a little boost last weekend. .07 of an inch of precipitation was recorded last Friday evening and night and showers on Saturday added .02 of an inch, according to Bill Rountree, keeper for the government rain gauge at the city pump station.

Mr. and Mrs. Wayne Cotten of Lake Charles, Louisiana and Cecil Eivens and family of Levelland visited the past weekend with Mr. and Mrs. W. B. Cotten. The Eivens also visited with Mrs. A. M. Eivens at McCaulley.

TEN YEARS AGO (April 15, 1965)

The Hamlin Freshman track team carried home the honors Saturday in Sweetwater at the district track meet with 141 points. Their nearest opponent was Stamford with 106 points.

The sixteenth annual Neinda Reunion will be held April 25 at the Community Center.

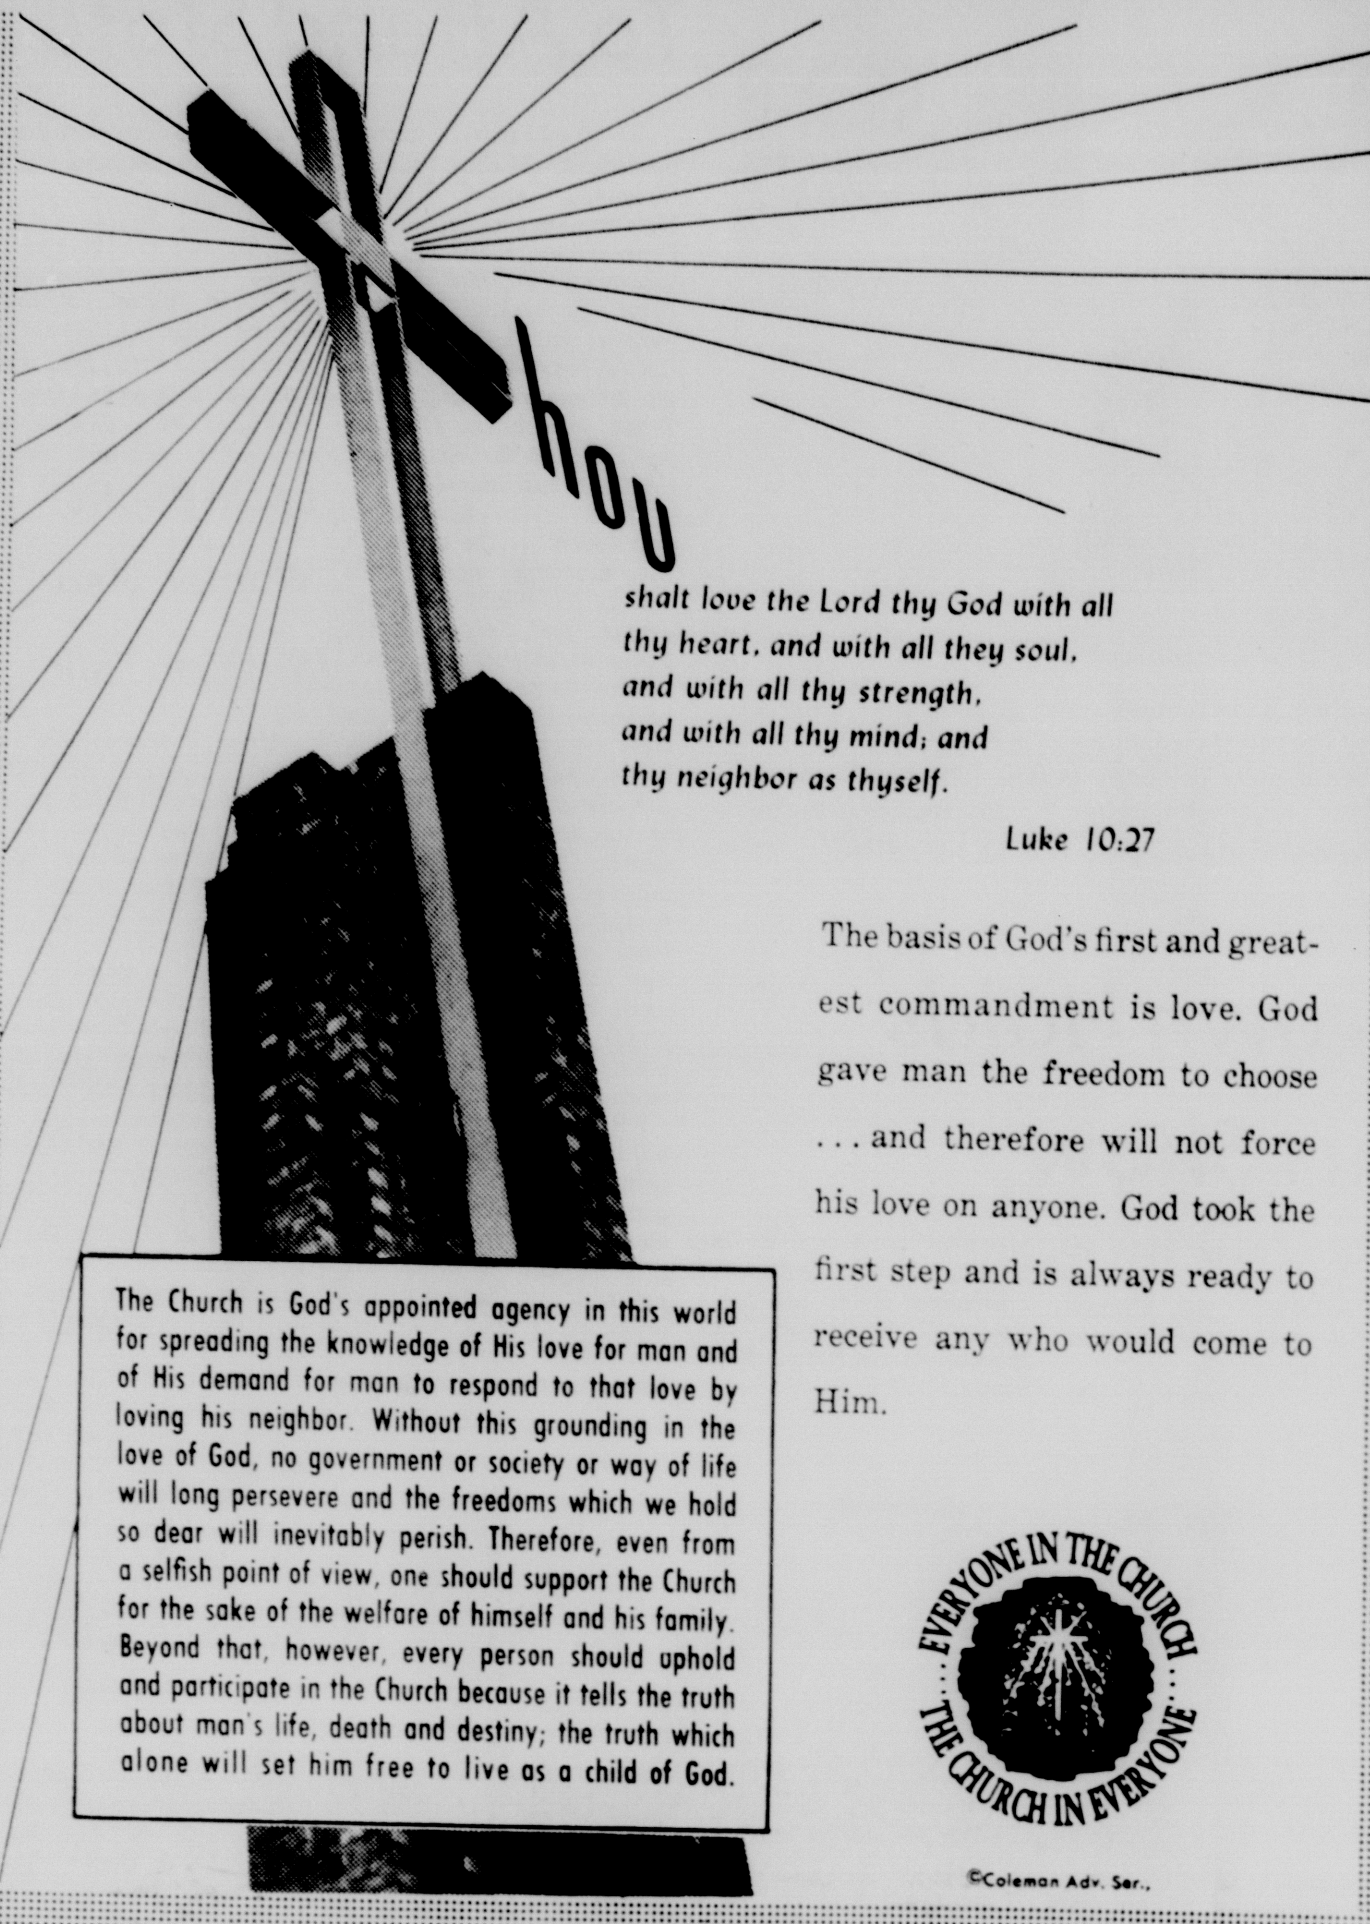

Winters won the district 5-AA track and field meet Saturday with ease. They more than doubled their nearest opponent, Haskell, with 168 point to Haskell's 83 points. Stamford was third with 62 points, Colorado City had 49, Anson 47, Ballinger 45 and Hamlin 41.

Ten students from Oscar DePriest School will be taking part in the State track and field meet after qualifying in Saturday's district competition held in Plainview. The state meet will be held at Prairie View A&M College April 23 and 24.

Rev. Ivan Kounter will be conducting a revival at the Hamlin Church of the Nazarene, April 23-May 2, Mrs. Cecil Stowe announced.

The Hamlin Junior 4-H club entry in the Jones County Share the Fun Festival held in Anson last week won first place in the general entertainment division.

The pre-school clinic held at the primary building Thursday was highly successful, according to a report by the school. Forty-two children attended the clinic.

shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy strength, and with all thy mind; and thy neighbor as thyself.

Luke 10:27

The basis of God's first and greatest commandment is love. God gave man the freedom to choose . . . and therefore will not force his love on anyone. God took the first step and is always ready to receive any who would come to Him.

©Coleman Adv. Ser.,

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Philosopher Claims Government's Figures On Minimum Incomes Are Way Too Small

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One reviews some figures on the cost of living this week.

Dear editor:

According to the latest government figures, a family of four requires an annual income of \$14,300 to maintain a moderate standard of living and \$20,800 if it wants to enjoy a few luxuries. If it can abide living at an austere level, it can get by on \$9,200.

Some people have scoffed at these figures, saying they're way too high, but I have confidence in them because they were prepared by government workers in Washington making from \$40,000 to \$60,000 a year and claiming they can't get by on that.

People who think these figures are too high don't understand the thinking of the men who established this government 200 years ago. For example, everybody knows their main plank was the right of every person to "life, liberty, and the pursuit of happiness."

All right, how can you pursue happiness sitting on the bank when the fish are biting out in the middle of the lake?

Clearly, the Founding Fathers intended for everybody to have a motorboat. There goes a thousand dollars right there, if you can abide the austere level. Five or six thousand if you want a few luxuries.

Maybe through ignorance or low standards some people were willing to open up the west riding in un-air-conditioned covered wagons with two-wheel brakes and no power steering and a busted guitar for music, but start out on a trip today in August in a hot car with no radio and two kids in the back seat and everybody knows you're pursuing misery, not happiness. If the principles on

Oak Grove Sets Dinner

The Usher Board of Oak Grove Baptist Church will serve a dinner beginning at 5:30 p.m. Saturday in Fellowship Hall. Plates will be \$2.25 each.

The menu will be fried chicken, buttered potatoes, green beans, tossed salad, hot rolls, assorted pies and iced tea.

For reservations call Maudie Paige, 576-3253. Mrs. Isa Jenkins is Usher Board president.

which this government was founded mean anything, they mean a man is entitled to take a vacation trip in comfort. Add another thousand dollars to the cost of living.

I could go on, but you can see how hard it is to get along on \$20,000 a year, not to mention \$14,000. And that's just for the ordinary way of life. If you want to run for Congress it takes around \$150,000 in some states. For a Senator, anywhere from \$500,000 to one million. For President, 10 to 20 million, on the austere level; 40 million if you want a few luxuries. Washington is out of touch with the cost of living.

Yours faithfully,
J. A.

Texans Expected to Vote On New Constitution This Fall

AUSTIN — Texans are going to get to vote on a new constitution this year after all.

Final legislative agreement on the article-by-article revision proposal will send it to the polls November 4 for a showdown decision by voters.

A major campaign is shaping up for the document, and several efforts can be expected against individual sections.

At least, the revision is shorter, simpler and better organized than the present patched-up constitution. It would give the governor needed fiscal controls, appointive power and agency reorganization authority.

The proposed unified court system is not without some strong criticism, as well as backing. The finance article requires uniform standards and procedures for tax appraisal and countywide appraisals.

Counties, through the new local government article, would be able to change their governmental structure and adopt ordinances. Environmental protection would be mandated along with access to comprehensive health care and equal education.

Voters will decide earlier on two constitutional changes — on April 22. On the ballot then are recommended "emergency" improvements in state employees' and school teachers' retirement programs and a \$600 a month pay scale and expense account increases for legislators.

MONEY RUNNING OUT
State revenues, rapidly shrinking in spite of a once-fat \$1 billion "surplus," will be far short of needs for real school finance reform, two government officials maintain.

Lt. Gov. Bill Hobby, Legislative Budget Board chairman, predicted about \$450 million to \$500 million will be available after the general state budget is approved. LBB Director Tom Keel estimated the main budget "leftover" at \$472.8 million. That's nearly \$300 million below the most modest pricetag of major education finance bills backed by Gov. Dolph Briscoe.

Hobby said the teachers will get a pay raise — less than they are asking — but many other provisions of the Briscoe and Texas State Teachers Association bills cannot be financed.

PRIMARY DELAYED
Presidential preference primary legislation went to conference committee with initial Senate instruction to retain a self-destruct feature which would make the legislation effective for 1976 only.

Sponsors are still trying to get rid of the mandate so they can make the primary a permanent election procedure, unless repealed, as is the case with most laws.

WATERWAYS BILL PASSED

The Senate designated Texas Highway Department as state sponsor for a joint state-federal effort to maintain 426 miles of Gulf Intracoastal waterways.

The Department will cooperate by providing spoil disposal areas along the 426 mile main channel from the Sabine River to Brownsville.

COURTS SPEAK
The State Supreme Court will review a Laredo case which Atty. Gen. John Hill claims may have major consequences for enforcement of deceptive trade practices court orders.

The High Court will also hear arguments May 14 in Exxon's appeal from a damage verdict following suicide of an Abilene truck driver who was injured earlier in a refinery accident.

Two wives of a Chambers County man who died in a Java Sea shipwreck in 1970 are entitled to inherit from his \$51,031 insurance-and-unpaid wages estate, the Supreme Court held.

A \$10,500 jury award to a Marshall farmer for pollution damage from Atlas Chemical Industries effluent was

upheld by the High Court, but a \$25,000 exemplary damages award was rejected.

The Court of Criminal Appeals reversed a rape conviction of four San Antonio men because their trial was not postponed to accommodate a lawyer-legislator who had been called into special session.

A Hillsboro burglary conviction of two was also

reversed since the jury relied on testimony of an accomplice witness.

AG OPINIONS

Where a county tax assessor-collector is required to assume collection of a city's taxes, he must do so without regard to whether the city's ration of assessment for prior years has been different from the county's,

the Attorney General has held.

In another recent opinion, Hill concluded planning and development of state parks and historic sites may be financed from Texas Parks Fund 31 financed by cigarette taxes.

COUNTIES SHIFTED

Seven West Texas counties have been moved from the North-Northwest Territory to

the Central Inland Territory, with a reduction of homeowners and extended coverage rates.

Montague, Jack, Young, Wise, Eastland, Brown and Stephens counties asked the realignment for insurance on buildings. Counties said they didn't have hail, tornado and windstorm damage sufficient to require they stay in the high-rate

territory.

SHORT SNORTS

Comptroller Bob Bullock reported unemployment payments climbed 25 per cent last month, to a March total of \$20.4 million. The Comptroller said tax revenues will decline when unemployment payments exceed \$1 million.

Health Maintenance Organization legislation, providing for a new system of

pre-paid, fixed-premium medical and health care services, passed the Senate and is expected to pass the House.

Texas Research League said a tax bill may be necessary this year, regardless of Gov. Briscoe's threats to veto one.

The Governor signed into law a bill assigning priority to instate use of gas produced from state-owned land.

School teachers plan a giant rally here April 26 to demonstrate support for public school finance reform — and \$10,000 a year

minimum salaries for teachers.

Texas wheat farmers are expected to harvest a record 1975 crop, Agriculture Commissioner John C. White predicted.

Local Scouts Make Rank

Boy Scout Troop 143 met Monday night in the Boy Scout Hut. Britt Cary made Star Rank and Neal Baker passed to Scout Rank.

The local troop is under the leadership of Scoutmaster Sammy Ferguson.

Agent Warns Against Weed Killer, Fertilizer Combination

Using a combination fertilizer and weed killer on your lawn can create more work than it saves, says Kirby Clayton, county agent for the Texas Agricultural Extension Service.

"Applying a fertilizer-herbicide mixture to the lawn can endanger desirable plants such as trees, shrubs and vines in the area. Many trees such as oak, mulberry and sycamore are highly susceptible to weed killers," points out Clayton.

There is always danger of applying too much herbicide. While an overdose of fertilizer is not necessarily harmful, too much herbicide can ruin vegetation.

Another drawback of using a combination fertilizer-herbicide is that the most effective time to apply fertilizer is not always the most effective time to apply

herbicide. "Each type of herbicide must be used at a certain rate and time to be effective," says Clayton.

There is also the chance that a leftover mixture of fertilizer and herbicide may be mistaken for fertilizer and used for that purpose. This can do irreparable damage to the landscape.

"By mowing your yard regularly and fertilizing, watering and providing good drainage, weeds will be less of a problem and you probably will not have to use a herbicide," contends Clayton. "But if you do decide to use a combination fertilizer and herbicide, be sure to read all the precautions on the label," he cautions.

Milburn Wink Selected for FFA Meeting

Milburn Wink, local vocational agriculture teacher, has been selected to attend Thrust '75. This is a meeting sponsored by the National Future Farmers of America for western Texas and New Mexico for outstanding chapter advisors.

Meetings are being held throughout the nation. Wink will attend the one being held in Lubbock April 21 and 22. Russell May and Shorty McIlwain, local FFA leaders, will attend the meeting also. They are to report back to the local chapter and the Double Mountain District FFA Association on the results of the meeting.

150 Attend Annual Neinda Reunion Sunday

About 150 persons attended the 24th annual Neinda Reunion at the Neinda Community Center. The noon meal catered by Roy Jordan of Hamlin was served to about 135 persons.

John R. Brown, spokesman for the Neinda planning group, said that the weather factor kept many from being present. He said after lunch, when the sun came out, more people came.

The youngest person at the reunion was Guy Plemons Williams, two-month-old son of Mr. and Mrs. Jackie Williams.

R. L. Milstead, who helped with the origination of the permanent fund for the Neinda Cemetery, was unable to attend because of illness. His daughter, Lola Milstead, was at the bedside of her father. Regular attenders at the reunion could not remember when he had been absent in the past.

Sam Hodges was elected chairman, Miss Milstead, secretary, and John R. Brown remains treasurer of the Neinda Cemetery Association.

It was reported that all enjoyed the good meal, the visiting and singing.

Local Girls Place Fourth In District

The Hamlin girls took fourth place with 56 points in the district track meet held in Coahoma Friday. The girls qualified one individual to the Regional meet to be held in Odessa Friday. Making the trip to Odessa will be Kathy Hooper who won the high jump competition with a jump of 4'8".

Coahoma edged out Colorado City for the meet honors with 133½ points.

Little League Sets Clean Up Day At Park

A clean-up, fix-up day will be held at the Little League Park Saturday beginning at 9 a.m. Anyone who would like to help is invited to come.

Registration and tryouts for boys wishing to participate in Little League baseball will be held Monday and Tuesday at the Little League Park beginning at 5:30. Girls registration and tryouts will be held Thursday and Friday, April 24 and 25, at 5:30.

Boys and girls are to bring their birth certificates and \$1.

Church Hosts Senior Citizens Here Tuesday

Senior citizens of the First United Methodist Church and guests met for a day of fun in the Fellowship Hall Tuesday. Special honorees were shut-ins and Holiday Lodge residents.

The Rev. Jim Smith presided and led the group in a sing song. Mrs. Earl Brown, chairman, introduced the musicians who entertained with old-time country music. Entertainers included Anton Teichelman of Sagerton, Leon McKeever and Nick Green, both of Stamford.

Transportation was provided for some and meals were carried to those unable to attend.

Mr. and Mrs. Henry Downey of Sweetwater, formerly of Hamlin, and Mrs. Clarence Butler visited their children, Mr. and Mrs. Jack Downey, Janice and Amy in Benton, Ky. While there they attended ordination services April 6 for Jack Downey as he was named minister of evangelism at First Baptist Church in Benton. They visited in the home of Mrs. Henry Downey's sister, Mr. and Mrs. Vern Maples in Siloam Springs, Ark.

Discussion Set On Area Airport Needs

AUSTIN — A Texas Airport System joint planning conference will be held at 10 a.m., Thursday, April 24 in the Council Chambers of the Stamford City Hall.

Airport development needs of Haskell, Jones, Knox, Taylor, and Throckmorton Counties will be discussed.

Participating in the meeting will be representatives of the West Central Texas Council of Governments, city and county elected officials, airport board members, airport managers, and other citizens.

All area citizens with an interest in air transportation and airport development are invited to attend.

Benefits of air transportation to a community are not always well understood. General aviation

airports will be examined in relation to community and county development goals.

The Texas Airport System Plan is being developed for Texas and the Federal Aviation Administration by the Texas Aeronautics Commission. Technical assistance is provided by the Texas Transportation Institute of Texas A&M University.

Major activities of the Plan include inventory of existing aviation facilities, forecasting of aviation demand, comparison of present capacity with forecast needs, evaluation of alternative airport systems, developing schedules of required improvements, and identification of alternatives for financing system growth.

NEWS FROM

McCAULLEY

By MRS. FRED KEMP

McCauley 4-H met in regular session last Wednesday at 8 p.m. in the Home Economics Building. Twenty-two members participated in a program scoring themselves and each other on good grooming habits. Carla Young and Arlene Coleman gave a demonstration on making donuts from biscuit dough. After recreation, members were served one of the donuts and punch. Meeting adjourned to meet again the first Tuesday in May for a skating party and picnic which is to include the parents.

All UIL results aren't available at this time but there were many entries that did not place. Tiny Smart won third place in shorthand. Aletta Hawthorne was given an award in the One Act Play competition. Lolita Perales placed a second, third and sixth in girls track. Sam Davis placed fifth in science. At the Jayton Track Meet Saturday, Alton Hawthorne placed fifth in 220 and came in first in the 100-yard dash but was disqualified because down the way he had stepped out of his lane. Perry Williams placed fifth in the 220 and third in the 100-yard dash.

Mr. and Mrs. Marvin Maberry of Era were guests in the home of Mr. and Mrs. Luther Maberry last week. Mr. and Mrs. Larry Smart and Jamie of Ranger visited in the James Smart home recently.

Mrs. Bobby Smith and Cody of Mason visited in the homes of Mr. and Mrs. John Edd Reed, Mr. and Mrs. Marion Reed and the Armond Smiths last week. Fisher County Teachers

met at Hobbs School for their final meeting of the year. Mrs. Z. Lindsey Encke, McCauley, president, presided and gave a report from the TSTA convention at Houston. She urged all members to vote April 22.

The guest speaker was Mrs. Jewel Harris of Abilene. New officers for 1975-76 are Mr. O. Anderle, Hobbs, president; Mrs. Ruth Witherspoon, Rotan, vice president; Mrs. Merle Lovett, Roby, secretary; and Mrs. Barbara Everett, McCauley, treasurer.

Max Kemp attended the 4-H Junior Leaders training meeting at Lueders Friday night and Saturday morning.

FFA Chapter Enters Four Teams At Tech

Four teams will represent the Hamlin FFA Chapter at the Texas Tech University FFA Judging Contests Saturday in Lubbock. The contests will also serve as the Double Mountain District FFA Contests and the Area II FFA Contests. The top teams in each contest will advance to the State FFA Judging Contests at Texas A & M University.

The following teams will be representing Hamlin at the Texas Tech Contests:

Livestock Judging - Russell May, Shorty McIlwain and Leroy Gardner.

Poultry Judging - Tracy Gregory, Carrie May and Guy Turner.

Dairy Cattle Judging - Randy Elmore, Gary Neal and David Brown.

Cotton Classifying - Brett McCracken, Tommy Maberry and Drew Tomlinson.

Accompanying the teams to Lubbock will be Milburn Wink and Mr. and Mrs. Gary Finley.

Singing Sunday

The Third Sunday Singing will be at Calvary Baptist Church beginning at 2 p.m. Everyone is cordially invited.

Mrs. Tom Cammack of Hobbs, N. M., visited in the home of her parents, Mr. and Mrs. A. H. Milsap from Thursday through Sunday.

Area Gets Urban Rodent Specialist

Jones County is one of 19 area counties selected to be serviced by an area Urban Rodent Control Specialist, U.S. Fish and Wildlife Service and Texas A&M University cooperating.

Larry J. Killgo, a native of Snyder, will be stationed in the County Extension Office in Abilene. He is the son of C. J. Killgo of Snyder and has a B.S. degree in Wildlife Management from Texas Tech University.

As an Urban Rodent Control Specialist, Killgo will work to help persons in urban areas with rodent problems by giving educational programs to any organized group of persons. Demonstrations will also be held in infested areas. Rats and mice, pests which threaten the area's health and economy are the most important rodents in this program.

Killgo explains that his office also distributes up to date information on controlling many other pest type animals such as sparrows, starlings, skunks, armadillos and racoons.

Killgo can be contacted through the local County Extension Office or by writing to him C-O County Extension Office, County Courthouse, Abilene, Texas 79602 or telephone 673-0331.

TOP FFA AWARDS—Receiving top awards at the annual Future Farmers of America Parent and Member Banquet Monday evening are, from left, Randy Elmore, Fred B. Moore Jr. Agriculture Award; Russ Lakey, Star Chapter Farmer; Guy Turner, Star Green Hand and Russell May, Star Lone Star Farmer. The banquet was held in the Hamlin High School Cafetorium.

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

Last week in this column we took a look at the first of two Constitutional Amendments to be voted on April 22. This week we would like to take a look at the other one. The first dealt with the state retirement program and this second one deals with higher pay for our Legislators.

Under proposed Amendment Number 2, members of the Legislature would get a pay raise from \$400 a month to \$600 a month.

The amendment also provides for an increase in the per diem allowance from \$12 a day for the first 120 days of each regular session and 30 days of each special session to \$30 for each day of each regular and special session.

Currently, state representatives and senators are limited to \$2.50 for every 25 miles they travel from their homes to Austin. The proposed amendment would change this to reimburse legislators at the same mileage rate as all other state employees as set by law.

Proponents of the amendment argue that a legislator can no longer be considered a part-time official, and \$4,800 a year is not adequate compensation for the time he devotes to public duties. Those against the amendment contend that these inflation-plagued days are hardly the time to consider increasing the cost of government.

Those for the proposal also argue that raising the salaries to \$7,200 a year would attract many qualified persons who are unable presently to make the financial sacrifices necessary to seek a seat in the Texas Legislature. Opponents of the measure say that because of high campaign costs, those without substantial financial resources will be discouraged from running away, regardless of the higher salary.

An argument for increasing the per diem allowance holds that the \$12 a day authorized in 1960 is hopelessly out of date, and that \$30 a day is easily justified by today's cost of living.

Opponents argue, however, that the \$30 allowance—with no limitation on the number of days it can be paid—could result in slowing the legislative process, burdening the taxpayer with ever-higher government costs.

There is little argument that legislators should get more than 10 cents a mile for driving their cars to Austin. However, opponents contend that the proposed change (presently set at 16 cents a mile) could be abused because there is no limit set on the number of trips a legislator could make to and from the capital.

We hope all Texas voters will take the time to familiarize themselves with these proposed amendments and express their opinions at the polls on April 22.

Randy Elmore Gets Top FFA Award

Randy Elmore received the Fred B. Moore Jr. Agriculture Award here Monday evening at the annual Hamlin Chapter Future Farmers of America Parent and Member Banquet. This is the top award presented by the local chapter and is presented to the outstanding senior member.

Other top awards presented at the banquet held in the high school cafetorium were Star Green Hand, Guy Turner; Star Chapter Farmer, Russ Lakey; and Star Lone Star Farmer, Russell May.

Honorary Chapter Farmer Degrees were presented by the chapter to Bob Hawes, superintendent, and to Harvey Lawlis, president of the Hamlin Jaycees.

New officers for the coming year were also presented. Elected to serve during the 1975-76 school year were Russell May, president; David Moore, vice president; Shorty McIlwain, secretary; Raymond Jordan, treasurer; Larry Griffin, reporter; and Steve Hastings, sentinel.

Special citations were presented during the banquet to Mrs. Joe Wayne Carter, Kenneth Hertel and Mrs. Jane Murphree. Mrs. Carter and Hertel are Advisory Committee members. The certificates were presented by Shorty McIlwain, vice president.

George Gonzales, committee chairman, presented scholarship awards to Kayla Mehaffey, Randy Elmore, Gregg Bessire, Ray Sonnenburg, Shorty McIlwain and Edwin Wheat.

The Chapter Leadership award was presented to

Randy Elmore, chapter president.

Donnie Nelson, committee chairman, presented National Foundation Awards to the following members: livestock Production, David Moore; Agricultural Mechanics, Gerry Young; Sheep Production, Guy Turner; Placement in Agricultural Production, Julio Villanueva; Crop Production, Donnie Nelson; Horse Production, Shorty McIlwain.

44 Teams Take Part In FFA Volleyball

Walton Well Service, Mehaffey Trucking Company, Joe Hudspeth's, Waterhole No. 3, and Cooper Texaco were sponsors of the championship teams in the third annual Hamlin FFA Chapter's volleyball tournament. Forty-four teams competed in the five divisions of this year's tournament.

Teams entered in the boys' division were Walton Well Service, City Food Market, Harbert Furniture, Sweetwater Savings Association, Plains Coop. Oil Mill, Carlton Implement Company, Killian Tank Trucks, Inc., Offield Real Estate, Jordan's and Frank's Department Store. Sweetwater Savings Association was the consolation winner. Walton Well Service defeated Offield Real Estate for the championship.

Teams entered in the girls' division were Howard Drug, Mehaffey Trucking Company, Weaver Texaco, Albritton Motors, Wade Trucking Company, Connally Ford Sales, Bailey Construction Agency, Turner Insurance Agency, Moore Elevator, Oliver Oil, Winn's and Hamlin Restaurant.

Howard Drug won consolation, Oliver Oil was runner-up, and Mehaffey Trucking Company was champion.

The six teams in the women's division were Cope Pritchard Gravel, Hamlin Recreation Center, F & M National Bank, Joe Hudspeth's, Hamlin Fire Department and Bryant Insurance Agency.

Consolation winner was Cope Pritchard Gravel. The Hamlin Fire Department was runner-up. Joe Hudspeth's was champion.

Heidenheimer's, Pied Piper Mills, J.R.B., Piggly Wiggly, Hamlin Herald, Smith's Bookkeeping and Tax Service, Waterhole No. 3, and the Hamlin Farmers Coop Gin were the teams entered

STATE REVALIDATION STUDY—

Hamlin Day Care Center Needs Cited

Claudia McMillan, state licensing representative for the State Department of Public Welfare, visited the Hamlin Child Care Center April 8 for a standard by standard evaluation of the building, grounds and equipment as specified in "Minimum Standards for Day Care Centers."

The results of the evaluation will be sent to contract services. The

Center's revalidation is due in late July.

Ms. McMillan reported the following items needed for the local center: set of plastic fruit and vegetables; a small mop for the home living center; wheeled toys such as tricycles or wagons; three flannel boards; at least one 12-piece set of figures of people and animals; five wooden puzzles; tempera paints; 12 books with bright pictures of cloth or other

sturdy construction for children one through three. It was also suggested that a magnifying glass for the science area be obtained.

She commented that the planned outdoor sand areas will be an excellent addition to the already well-equipped yard.

Mrs. Bobby Crowley, Center administrator, and Mrs. L. C. Bonds, secretary of the Hamlin Board of Community Development,

said that anyone who could donate any of these needed items may contact them.

Also needed at this time are mop and broom handles that can be made into stick horses for the children.

Anyone with discount coupons for food or other items that they would like to donate may leave them at the Center or the BCD office. These include coupons for diapers, paper goods, soap, and food.

IN EQUIPMENT GRANTS—

School to Receive \$75,000 From State-Federal Programs

Bob Hawes, Hamlin School superintendent, said here Monday that the school board's trip to Austin Friday was very beneficial for the district. Trustees for the Hamlin Independent School District spent Friday in Austin with state educational leaders seeking financial help and advice.

The trip was arranged following the district's recent loss of its junior high school building by fire.

Hawes said both Alton Bowen, associate commissioner of education, and

Cecil Rusk, executive director of Texas Association of School Boards, commended the board members for the concern for the district's plight. All seven members of the board and the superintendent made the Austin trip.

Hawes said that the board was promised nearly \$75,000

in aid from state and federal funds to help replace equipment and books lost in the fire. This money is from funds unclaimed during the current fiscal year.

At this time the board does not know the amount of funds that might be available from the next fiscal year.

The school is expected to

receive \$61,786 from the National Defense Education Act, fiscal year 1973, and \$8,340 from fiscal year 1974. Both of these funds are matching grants. The School was promised \$4,811 from Title II funds from fiscal year 1974. This is a full grant. The total to be granted to the local district at this time is \$74,937.

The money is to buy equipment, books, and other supplies needed by the district and must be purchased before the end of the current fiscal year.

Drugs Taken In Break In

All of the amphetamine drugs in stock at Howard Drug were stolen here early Wednesday morning when the side glass door of the drug store was broken. The drugs were taken from a locked cabinet in the drug department.

The break in occurred at 2:25 a.m. Wednesday. Officer Richard M. Mullins was on duty at the time at the intersection of Central

Avenue and Lake Drive when he heard glass being broken. By the time he got to Howard Drug at North Central and Southwest Third the intruder or intruders were gone.

The missing drugs are Class Two Drugs in the barbiturate class.

The preliminary investigation was conducted by Officer Mullins, Chief Ed Wheat and Jones County Deputy Sheriff Bill Erwin.

Hamlin Wins District Golf Title Monday

The Piper golf team captured the district title here Monday with a team total of 323 points. The district meet was held at the Hamlin Country Club. Stamford took second place with a team total of 348 points. Both first and second place winners qualified for the Regional meet to be held in Andrews April 23-24-25.

Hobie Bolin of Colorado City shot a 74 for medalist honors and Gary Creason of Hamlin was second medalist with his 77. First and second high individuals also qualify for Regional.

Taking the first place trophy for Hamlin were Creason, 77; Jerry Briscoe, 79; Blain Lewis, 79; Ricci Haraghty, 88; and Eddie Offield, 89.

Winters took third in the team totals with 354 and were followed by Ballinger with 362, Colorado City with 370; Winters B with 373, Colorado City B with 392, and Hamlin B with 428.

Bad Weather Postpones Hike-Bike Fund Drive

The Hike-Bike for the Retarded, which was cancelled Friday because of inclement weather, has been re-set for Sunday April 27, according to Mrs. C. L. Howard, chairman.

The event is being sponsored by the Future Homemakers of America, Hamlin chapter.

The students who will participate in the event are to meet at the high school parking lot at 1:30 p.m. Each student must make

arrangements for a sponsor or sponsors.

The Hike-Bikers will ride toward South Lake on FM 1636. They will be served refreshments before they return to town. Plans are for the group to be back in town by 5:30 to avoid conflicts with church activities.

All students are invited to take part. Further information is available from Mrs. Howard or an FHA member.

Foursquare Church In Revival Here

Hamlin Foursquare Church is holding a revival service April 16-20 with the Rev. and Mrs. Floyd Bailey of Knox City bringing the messages. Services are to be each night at 7 p.m.

The Rev. Claud Fry, pastor, extends a welcome to everyone, stating, "We're expecting God to do great things."

April Showers Brings .9 Rain

April showers have added .90 to the year's total precipitation being recorded by Bill Rountree.

These amounts were recorded on the following dates: April 8, .60; April 10, .12; April 11, .10; April 12, tr.; April 13, tr.; and April 14, .08. All measurements are recorded at 5 p.m. each day.

AT DISTRICT 6-AA MEET—

Pipers to Open Track Title Defense At Anson Friday

The Piper track team will open the defense of their State Track Championship this week at the district level when they travel to Anson Friday for the District 6-AA meet. Hamlin has won the state title for the past two years.

Field events for the district meet will open at 1 p.m. Friday and will be followed by prelims in the running events at 3. The finals in the running events will open with the 440-yard relay at 7 p.m.

First and second place finishers in the district meet will advance to the Regional meet to be held the following Friday and Saturday at Odessa.

Running without the services of Johnny Jones, state 100 and 220 champion, the Pipers finished second at Ballinger last Saturday with 74 points. Brady won the meet with 114 points.

Johnny is expected to be ready for the district meet Friday following a pulled muscle two weeks ago.

The Pipers picked up their only first place in the 440-yard relay at Ballinger with a new record time for the meet of 43.9. Delbert Thompson subbed for the injured Jones. Others on the team were Mac Lee, Robert Phariss and Oscar Marshall.

Hamlin results were:

440-yard relay: 1. 43.9 (new record).

120-yard high hurdles: 5. Paul Reynolds, 16.1.

100-yard dash: 4. Mac Lee, 10.6; 6. Robert Phariss, 10.7.

440-yard dash: 2. Delbert Thompson, 52.1; 5. Steve Evans, 53.2; and 6. Luke Reynolds, 54.3.

220-yard dash: 5. Oscar Marshall, 23.3.

Mile relay: 2. 3:29.6 (Delbert Thompson, Luke Reynolds, Steve Evans and Oscar Marshall).

Pole Vault: 2. Robert Phariss, 13'1".

Broad Jump: 4. Robert Phariss, 19'3".

Discus: 3. Luke Reynolds, 128'11".

Six Flags Introduces New Attractions As Season Opens

ARLINGTON—Six Flags Over Texas opened its 1975 season Mar. 15 unveiling results of a million dollar attraction and improvement program.

Heading the list of new entertainment features are a glittering nighttime parade and a major illusion show.

A new thrill ride, called the Rotoriculous, will be introduced prior to the summer tourist season, as

will an antique airplane ride designed for children. All the new features are themed around the "inventions" of Prof. Cyrus Cosmo, a costume character developed exclusively for Six Flags Over Texas.

Each evening Prof. Cosmo is joined by a group of his costumed friends in The Incredible Electric Light Brigade Parade. Cosmo clammers aboard his

brilliantly lighted Cosmobile to lead such marchers as Capt. Dynamo, King Electro, the Electrophant, and Father Light through the streets of Six Flags. A brass band heads the parade lineup which features electrically powered, animated floats, illuminated with hundreds of blinking lights.

Cosmo, described by his creators as a "part-time inventor, part-time illusionist, and full-time showman," is also the star of the Cyrus Cosmo Wonder Show.

He displays his wit and talent with baffling

illusions, starting with a trick in which he makes himself appear from "nowhere." And as the show progresses strange things happen at Cosmo's command, including passing neon tubes through his assistant's body...

The magic show will be staged in Six Flags' Music Mill Theater on days when no name entertainers are appearing there.

Six Flags' younger guests can take a flight aboard a tiny antique biplane when they visit the C. Cosmo Flying Machine Co. It's a new feature in the parks' Con-

federate section.

Early in the summer Six Flags will open the new Rotoriculous ride. The 13-speed thrill ride, housed in a specially-designed, octagonal building features an elaborate "light and sound experience."

Projections on multiple screens combine with bright, flashing lights and strange sound effects to give the ride a mind-boggling outer space aura.

The new attraction, unique in the theme park world, is currently under construction in the Good Times Square area.

Six Flags General Manager Dan Howells said, "A lot of imagination has been put into the new characters, shows, and rides, and we think our guests will find the results exciting."

"The addition of the illusion show and the night parade will mean that Six Flags Over Texas' visitors can enjoy more than three and a half hours of shows."

"In addition to the new attractions for 1975, many areas of the park have taken on a totally new look as part of our continuing improvement program. Visitors will find the park more beautiful than ever."

Prof. Cyrus Cosmo will make his first public appearance at the park's grand opening ceremony March 15. Six Flags Over Texas will be open on weekends from 10:00 a.m. until 10:00 p.m. during the spring months. Daily operation begins May 24.

Health Tips

Texas Medical Association

TAKE MEDICINE WITH CARE

Ever wake up, or at least about half awake, in the night with a splitting headache? Or a pain in the tummy? And stumble into the bathroom and reach for a bottle in the medicine cabinet? And gulp down a pill or two, or a spoonful of medicine?

Sure. All of us have. And we're risking serious trouble in taking medicines carelessly.

The medicine was prescribed by your physician, and he included specific orders for size and frequency of dose and how to take it. The Texas Medical Association reminds that there is a good, sound reason for these orders, and they're meant to be followed.

A few simple rules for taking medicine can help to avoid an accident that may make your minor discomfort a lot worse.

—Never take medicine in the dark. Be certain you can see the bottle or pill box, to make certain it's the right one. If you need glasses, put them on.

—Read the directions carefully before taking. Those directions are there for a reason — your health.

—Don't increase the dosage or take more often than directed without checking with your doctor.

—If the label says "Shake well before using," it means what it says. Shake it.

—Don't take medicine prescribed for someone else. Just because it helped your husband's cough doesn't mean it's right for you.

—Keep medicine out of reach of children. The small child who is rushed to the hospital after eating a whole bottle of sugar-coated tablets is an all too common occurrence.

—Put the cap back on the bottle. Some medicines change strength if exposed to air too long.

—Keep the medicine in its original box or bottle. Shifting sleeping pills to an aspirin bottle, for instance, could produce dire effects for someone else in the family.

GED Tests Set Today In Rotan

The General Education Development Test will be given at Rotan High School today (Thursday) beginning at 6 p.m.

Five tests will be given in English, literature, social studies, science and mathematics. If a person passes the test, the Texas Education Agency will issue a High School Equivalency Diploma.

For other test dates contact Mrs. Patsy Hamric, in Rotan at 735-3370 after 5 p.m.

Mr. and Mrs. Jesse Houghton, Ginger and Jerry went to Old Mexico and the Big Bend Country with Mrs. Houghton's parents, Mr. and Mrs. Garland Jonas of Abilene, over the weekend.

Mr. and Mrs. Troy Money and Mrs. Deborah Harrell attended the funeral of a sister-in-law, Mrs. Clara Money, in Durant, Okla. last Wednesday. They visited relatives in Dallas before returning home Friday.

Visiting Mr. and Mrs. Fred Rosenbaum over the weekend were Mr. and Mrs. D. T. Downey of Fort Worth and Mr. and Mrs. J. D. King of Dallas. All attended the Neinda homecoming Sunday.

First Grade Gives P-TA Program

The first grade students under the direction of Reba Jackson presented a pantomime of "Cinderella" for the April meeting of the Hamlin Elementary Parent-Teachers Association Thursday afternoon in the primary cafeteria.

State Life memberships were presented to Mrs. John Howard Jr. and Mrs. Leldon Clifton by Mrs. Joe Don Hymmer.

Mrs. Guy Weaver, president, presided. The devotional and prayer were given by the Rev. Stephen White, pastor of Holy Trinity Catholic Church.

Mr. and Mrs. Robert R. Flores of Rotan are parents of a boy, Mark Anthony, 7 lbs., born April 9 at 6:21 a.m.

TEXAS LEADS NATION—

Tornado Season At Hand

College Station—Texas had the dubious honor of leading the nation in the number of tornadoes last year with 116. And another tornado season is at hand.

"Most tornadoes occur during April, May and June during the late afternoon although they can occur at any time of the year or any time during the day," points out Wayne Keese, agricultural engineer with the Texas Agricultural Extension Service.

Most tornadoes occur in the South and between the Rockies and the Appalachians.

"With a total of 944 reported tornadoes in the United States last year and 361 resulting deaths, 1974 was the worst year for tornadoes since 1925," points out the Texas A&M University System specialist.

Although the average annual number of tornadoes reported has quadrupled in the past three decades, the number of tornado fatalities has been decreasing. This is probably due to better methods of sighting tornadoes, warning systems and advance preparation for tornadoes, notes Keese.

Tornadoes usually travel southwest to northeast and stay on the ground about 10 minutes. Their forward speed is about 30 miles per hour but wind speeds in the funnel of a tornado get up to 300 miles per hour.

"Because tornadoes are so erratic, it's hard to tell just where or when they will occur," points out the engineer.

He stresses the importance of having a well rehearsed plan for quick action if a tornado is sighted.

The National Weather Service issues a "tornado watch" when atmospheric conditions are favorable for tornadoes. A "tornado warning" is issued when a tornado has actually been sighted or detected by radar.

"If a tornado watch is announced, stay tuned to a radio or television for weather advisories. A tornado warning demands action, so you should quickly move to a basement, cellar or civil defense shelter," advises Keese. "Keep a battery-powered radio handy in case power is lost."

If your home doesn't have a basement or cellar, go to the lowest level in the center of the home or get in a closet or small room or under heavy furniture, suggests the engineer. Open a few windows to allow for sudden air pressure changes.

"Stay away from windows and buildings such as gymnasiums and auditoriums with wide free-span roofs. If you live in a mobile home, move to a shelter area. If you are caught in open country, move away from the tornado at a right angle to its path or lie flat in a ditch or ravine," he adds. "Do not stay in your car if you cannot safely evade the tornado by driving away from it or at right angles to its path."

If you sight a tornado, report it promptly to the nearest law enforcement officer, but do not tie up the phone with unnecessary calls.

"After a tornado, always wear thick-soled shoes and gloves in cleanup work and watch for broken gas pipes and downed electrical wires," warns Keese. "Don't light matches or smoke in or near a building that has been hit by a tornado until you are sure there are no gas leaks."

"Furthermore, stay away from disaster areas unless you're helping with rescue and cleanup operations."

FAVORITE PAINTING—Debra Brown shows her grandfather, Roy C. Brown, her favorite painting during the opening of her Senior Art Show Sunday. The picture of horses is done in ebony pencil. The show opened Sunday from 2 to 4 p.m. and will continue through Friday from 8 a.m. to 5 p.m. each day in the art department of Hardin-Simmons University.

THROUGH FRIDAY—

Debra Brown Holds Senior Art Show

The Senior Art Show of Debra Brown is being held this week in the art department of Hardin-Simmons University. The show opened Sunday afternoon from 2 to 4 p.m. and will continue daily through Friday from 8 a.m. to 5 p.m.

Miss Brown will graduate in May. She will receive a bachelor of science in all level art with a major in art education.

Visitors to the show see her work in sculptures, drawings, batiks, paintings, prints, ceramics and designs. Featured are some of her ebony pencil drawings of Hamlin people. Her favorite mediums are sculpture and drawing, she noted.

She has studied under Ira M. Taylor, head of the art department, and Claude Salley and Jim Robinson at Hardin-Simmons.

She is presently vice

president of Kappa Pi International Art Fraternity. Daughter of Mr. and Mrs. James W. Brown, she was graduated from Hamlin High School in 1971.

ARTIST EXPLAINS WORK—Debra Brown, senior art major at Hardin-Simmons University, explains the background of her work, "Man and Woman." She tells how the ceramic piece changed form several times while in the making. The man is depicted in larger proportions with the eyes and nose as dominate features. The woman is shown with the mouth and the same lines for the nose. With Debra are, from left, her father, James W. Brown, her grandparents, Mr. and Mrs. Roy C. Brown, and her mother, Mrs. Brown.

Eastern Star Plans Sidewalk Sale April 26

Hamlin Chapter No. 460 Order of Eastern Star will participate in the sidewalk sale to be held April 26.

Proceeds from the sale will go to the Worthy Grand Matron's special project this year which is kidney research. Hopes are to receive enough money through each subordinate chapter's sales and projects to be able to buy two dialysis machines to be placed in hospitals in Texas.

If any members need to have their articles for the sale picked up, call 576-2513 by Thursday, April 24. Others should bring their things by Mar-Jo's Saturday morning.

FROM THE FILES . . .

FIFTY YEARS AGO
(April 17, 1925)

On Sunday, April 19, the McCaulley Church will have an all day service, under the tabernacle.

Rev. Morony, of Sweetwater has been delivering two sermons each day since Monday of this week at the Baptist church. If the readers of the Herald have been attending these meetings he or she will realize that it is a hard matter for one to express just how clear and forceful every talk has been.

Forty-three reported to the Euzelian Class last Sunday and each heart was stirred by the lecture given by Mrs. Reaves about "The Cripple at the Beautiful Gate."

Mrs. P. A. Fowler and Mrs. W. T. Sherry delightfully entertained on April 9 from three to five o'clock. Decorations suggestive of the Easter season were used and also featured were the dainty score cards and booklets where seven tables were at play.

Mr. and Mrs. S. A. Bailey and daughters, of Kenna, N. M., came back to good old Hamlin last Friday to see old friends.

Newman Bender, who has been in California working for the S. P. Railway returned home Monday for a thirty days' stay with his parents, Mr. and Mrs. G. H. Bender.

J. W. Cornelius returned Sunday from San Marcos and San Antonio where he spent several months visiting relatives.

Mrs. Willie Armstrong and her little daughter of Maytown, Brown County are here to spend a visit with her parents, Mr. and Mrs. F. D. Stewart.

TWENTY YEARS AGO
(April 15, 1955)

Truman Nix, 29-year old assistant football coach at Andrews High School for the past four years, was named head football coach for Hamlin High School at a special meeting of the board of trustees of Hamlin Consolidated Independent School District Tuesday evening.

Traffic was routed over the new stretch of highway constructed at the five-mile curve on Highway 83 southeast of Hamlin last week.

Dr. L. L. Trott of Abilene, District 17 missionary, will be in the pulpit of the First Baptist Church at both worship services, according to the Rev. Houston Walker, the pastor.

New president of Hamlin Lions Club elected for the fiscal year beginning July 1,

named at the Tuesday luncheon of the club is Dr. W. S. (Bill) Seal, Hamlin dentist. He will succeed W. T. Johnson.

Onis Crawford, who has been secretary - manager of the Hamlin Chamber of Commerce since June, 1954, Tuesday resigned the post, effective May 1. He will accept a similar position on that date with the Merkel Chamber of Commerce at a nice increase in salary.

Rainfall in the Hamlin section was given a little boost last weekend. .07 of an inch of precipitation was recorded last Friday evening and night and showers on Saturday added .02 of an inch, according to Bill Rountree, keeper for the government rain gauge at the city pump station.

Mr. and Mrs. Wayne Cotten of Lake Charles, Louisiana and Cecil Eivens and family of Levelland visited the past weekend with Mr. and Mrs. W. B. Cotten. The Eivens also visited with Mrs. A. M. Eivens at McCaulley.

TEN YEARS AGO
(April 15, 1965)

The Hamlin Freshman track team carried home the honors Saturday in Sweetwater at the district track meet with 141 points. Their nearest opponent was Stamford with 106 points.

The sixteenth annual Neinda Reunion will be held April 25 at the Community Center.

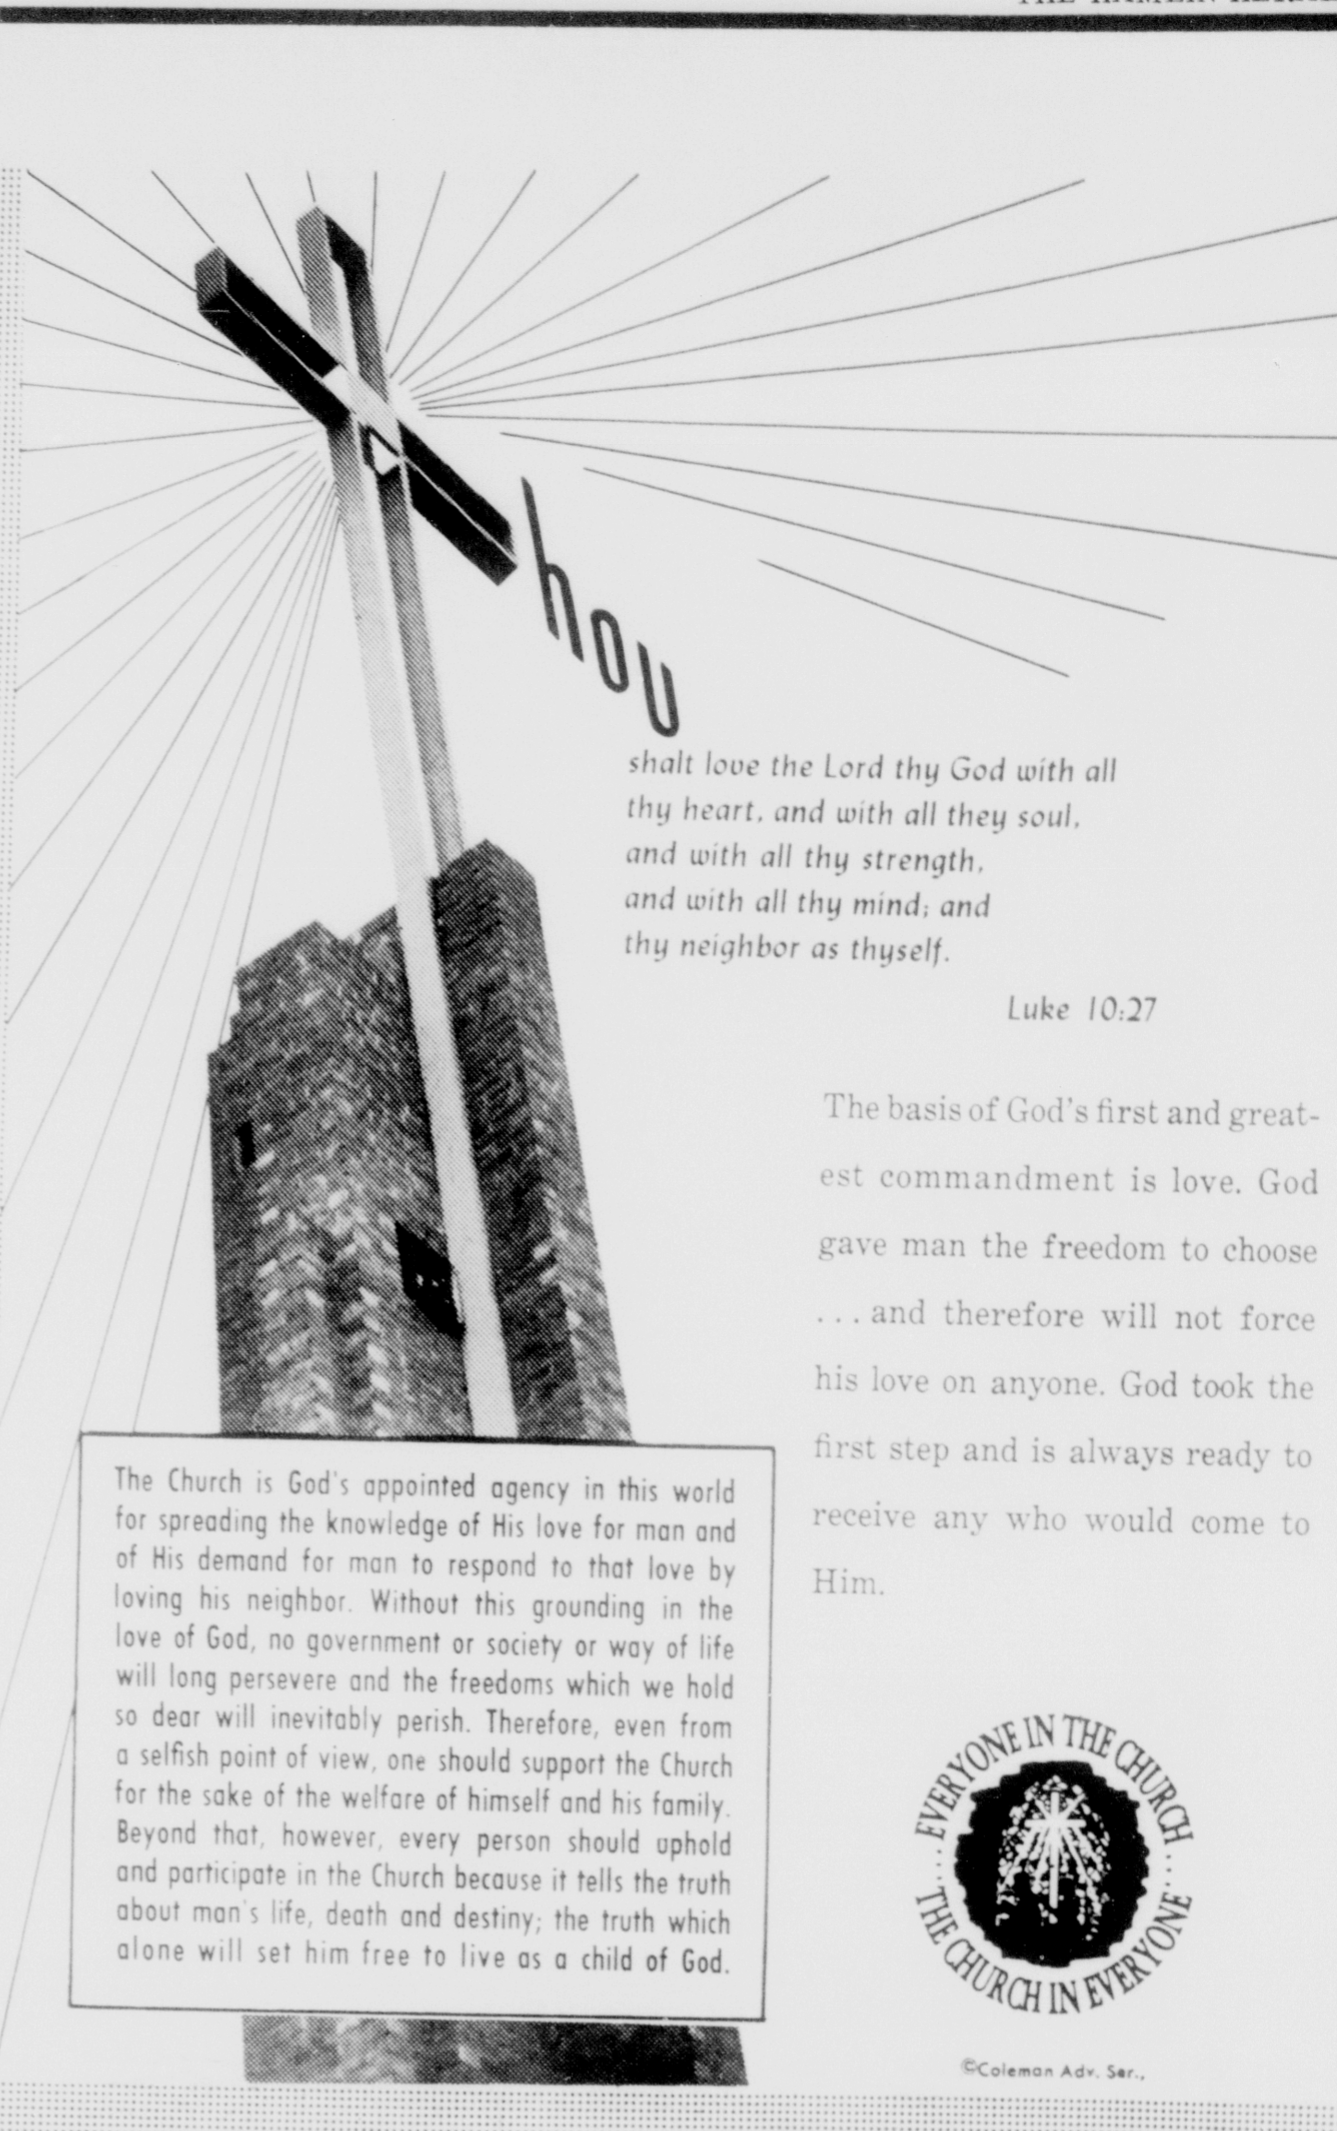

Winters won the district 5-AA track and field meet Saturday with ease. They more than doubled their nearest opponent, Haskell, with 168 point to Haskell's 83 points. Stamford was third with 62 points, Colorado City had 49, Anson 47, Ballinger 45 and Hamlin 41.

Ten students from Oscar DePriest School will be taking part in the State track and field meet after qualifying in Saturday's district competition held in Plainview. The state meet will be held at Prairie View A&M College April 23 and 24.

Rev. Ivan Kounter will be conducting a revival at the Hamlin Church of the Nazarene, April 23-May 2, Mrs. Cecil Stowe announced.

The Hamlin Junior 4-H club entry in the Jones County Share the Fun Festival held in Anson last week won first place in the general entertainment division.

The pre-school clinic held at the primary building Thursday was highly successful, according to a report by the school. Forty-two children attended the clinic.

shalt love the Lord thy God with all thy heart, and with all they soul, and with all thy strength, and with all thy mind; and thy neighbor as thyself.

Luke 10:27

The basis of God's first and greatest commandment is love. God gave man the freedom to choose . . . and therefore will not force his love on anyone. God took the first step and is always ready to receive any who would come to Him.

©Coleman Adv. Ser.,

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Philosopher Claims Government's Figures
On Minimum Incomes Are Way Too Small

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One reviews some figures on the cost of living this week.

Dear editor:
According to the latest government figures, a family of four requires an annual income of \$14,300 to maintain a moderate standard of living and \$20,800 if it wants to enjoy a few luxuries. If it can abide living at an austere level, it can get by on \$9,200.

Some people have scoffed at these figures, saying they're way too high, but I have confidence in them because they were prepared by government workers in Washington making from \$40,000 to \$60,000 a year and claiming they can't get by on that.

People who think these figures are too high don't understand the thinking of the men who established this government 200 years ago.

For example, everybody knows their main plank was the right of every person to "life, liberty, and the pursuit of happiness."

All right, how can you pursue happiness sitting on the bank when the fish are biting out in the middle of the lake?

Clearly, the Founding Fathers intended for everybody to have a motorboat. There goes a thousand dollars right there, if you can abide the austere level. Five or six thousand if you want a few luxuries.

Maybe through ignorance or low standards some people were willing to open up the west riding in un-air-conditioned covered wagons with two-wheel brakes and no power steering and a busted guitar for music, but start out on a trip today in August in a hot car with no radio and two kids in the back seat and everybody knows you're pursuing misery, not happiness. If the principles on

Oak Grove
Sets Dinner

The Usher Board of Oak Grove Baptist Church will serve a dinner beginning at 5:30 p.m. Saturday in Fellowship Hall. Plates will be \$2.25 each.

The menu will be fried chicken, buttered potatoes, green beans, tossed salad, hot rolls, assorted pies and iced tea.

For reservations call Maudie Paige, 576-3253. Mrs. Isa Jenkins is Usher Board president.

which this government was founded mean anything, they mean a man is entitled to take a vacation trip in comfort. Add another thousand dollars to the cost of living.

I could go on, but you can see how hard it is to get along on \$20,000 a year, not to mention \$14,000. And that's just for the ordinary way of life. If you want to run for Congress it takes around \$150,000 in some states. For a Senator, anywhere from \$500,000 to one million. For President, 10 to 20 million, on the austere level; 40 million if you want a few luxuries. Washington is out of touch with the cost of living.

Yours faithfully,
J. A.

CAPITAL HIGHLIGHTS—

Texans Expected to Vote On New Constitution This Fall

AUSTIN — Texans are going to get to vote on a new constitution this year after all.

Final legislative agreement on the article-by-article revision proposal will send it to the polls November 4 for a showdown decision by voters.

A major campaign is shaping up for the document, and several efforts can be expected against individual sections.

At least, the revision is shorter, simpler and better organized than the present patched-up constitution. It would give the governor needed fiscal controls, appointive power and agency reorganization authority.

The proposed unified court system is not without some strong criticism, as well as backing. The finance article requires uniform standards and procedures for tax appraisal and countywide appraisals.

Counties, through the new local government article, would be able to change their governmental structure and adopt ordinances. Environmental protection would be mandated along with access to comprehensive health care and equal education.

Voters will decide earlier on two constitutional changes — on April 22. On the ballot then are recommended "emergency" improvements in state employees' and school teachers' retirement programs and a \$600 a month pay scale and expense account increases for legislators.

MONEY RUNNING OUT State revenues, rapidly shrinking in spite of a once-fat \$1 billion "surplus," will be far short of needs for real school finance reform, two government officials maintain.

Lt. Gov. Bill Hobby, Legislative Budget Board chairman, predicted about \$450 million to \$500 million will be available after the general state budget is approved. LBB Director Tom Keel estimated the main budget "leftover" at \$472.8 million. That's nearly \$300 million below the most modest pricetag of major education finance bills backed by Gov. Dolph Briscoe.

Hobby said the teachers will get a pay raise — less than they are asking — but many other provisions of the Briscoe and Texas State Teachers Association bills cannot be financed.

PRIMARY DELAYED Presidential preference primary legislation went to conference committee with initial Senate instruction to retain a selfdestruct feature which would make the legislation effective for 1976 only.

Sponsors are still trying to get rid of the mandate so they can make the primary a permanent election procedure, unless repealed, as is the case with most laws.

WATERWAYS BILL PASSED

The Senate designated Texas Highway Department as state sponsor for a joint state-federal effort to maintain 426 miles of Gulf Intracoastal waterways.

The Department will cooperate by providing spoil disposal areas along the 426 mile main channel from the Sabine River to Brownsville.

COURTS SPEAK The State Supreme Court will review a Laredo case which Atty. Gen. John Hill claims may have major consequences for enforcement of deceptive trade practices court orders.

The High Court will also hear arguments May 14 in Exxon's appeal from a damage verdict following suicide of an Abilene truck driver who was injured earlier in a refinery accident.

Two wives of a Chambers County man who died in a Java Sea shipwreck in 1970 are entitled to inherit from his \$51,031 insurance-and-unpaid wages estate, the Supreme Court held.

A \$10,500 jury award to a Marshall farmer for pollution damage from Atlas Chemical Industries effluent was

upheld by the High Court, but a \$25,000 exemplary damages award was rejected.

The Court of Criminal Appeals reversed a rape conviction of four San Antonio men because their trial was not postponed to accommodate a lawyer-legislator who had been called into special session.

A Hillsboro burglary conviction of two was also

reversed since the jury relied on testimony of an accomplice witness.

AG OPINIONS

Where a county tax assessor-collector is required to assume collection of a city's taxes, he must do so without regard to whether the city's ration of assessment for prior years has been different from the county's,

the Attorney General has held.

In another recent opinion, Hill concluded planning and development of state parks and historic sites may be financed from Texas Parks Fund 31 financed by cigarette taxes.

COUNTIES SHIFTED

Seven West Texas counties have been moved from the North-Northwest Territory to

the Central Inland Territory, with a reduction of homeowners and extended coverage rates.

Montague, Jack, Young, Wise, Eastland, Brown and Stephens counties asked the realignment for insurance on buildings. Counties said they didn't have hail, tornado and windstorm damage sufficient to require they stay in the high-rate

territory.

SHORT SNORTS

Comptroller Bob Bullock reported unemployment payments climbed 25 per cent last month, to a March total of \$20.4 million. The Comptroller said tax revenues will decline when unemployment payments exceed \$1 million.

Health Maintenance Organization legislation, providing for a new system of

pre-paid, fixed-premium medical and health care services, passed the Senate and is expected to pass the House.

Texas Research League said a tax bill may be necessary this year, regardless of Gov. Briscoe's threats to veto one.

The Governor signed into law a bill assigning priority to instate use of gas produced from state-owned land.

School teachers plan a giant rally here April 26 to demonstrate support for public school finance reform — and \$10,000 a year

minimum salaries for teachers.

Texas wheat farmers are expected to harvest a record 1975 crop, Agriculture Commissioner John C. White predicted.

Local Scouts Make Rank

Boy Scout Troop 143 met Monday night in the Boy Scout Hut. Britt Cary made Star Rank and Neal Baker passed to Scout Rank.

The local troop is under the leadership of Scoutmaster Sammy Ferguson.

Agent Warns Against Weed Killer, Fertilizer Combination

Using a combination fertilizer and weed killer on your lawn can create more work than it saves, says Kirby Clayton, county agent for the Texas Agricultural Extension Service.

"Applying a fertilizer-herbicide mixture to the lawn can endanger desirable plants such as trees, shrubs and vines in the area. Many trees such as oak, mulberry and sycamore are highly susceptible to weed killers," points out Clayton.

There is always danger of applying too much herbicide. While an overdose of fertilizer is not necessarily harmful, too much herbicide can ruin vegetation.

Another drawback of using a combination fertilizer-herbicide is that the most effective time to apply fertilizer is not always the most effective time to apply

herbicide. "Each type of herbicide must be used at a certain rate and time to be effective," says Clayton.

There is also the chance that a leftover mixture of fertilizer and herbicide may be mistaken for fertilizer and used for that purpose. This can do irreparable damage to the landscape.

"By mowing your yard regularly and fertilizing, watering and providing good drainage, weeds will be less of a problem and you probably will not have to use a herbicide," contends Clayton. "But if you do decide to use a combination fertilizer and herbicide, be sure to read all the precautions on the label," he cautions.

Milburn Wink Selected for FFA Meeting

Milburn Wink, local vocational agriculture teacher, has been selected to attend Thrust '75. This is a meeting sponsored by the National Future Farmers of America for western Texas and New Mexico for outstanding chapter advisors.

Meetings are being held throughout the nation. Wink will attend the one being held in Lubbock April 21 and 22. Russell May and Shorty McIlwain, local FFA leaders, will attend the meeting also. They are to report back to the local chapter and the Double Mountain District FFA Association on the results of the meeting.

150 Attend Annual Neinda Reunion Sunday

About 150 persons attended the 24th annual Neinda Reunion at the Neinda Community Center. The noon meal catered by Roy Jordan of Hamlin was served to about 135 persons.

John R. Brown, spokesman for the Neinda planning group, said that the weather factor kept many from being present. He said after lunch, when the sun came out, more people came.

The youngest person at the reunion was Guy Plemons Williams, two-month-old son of Mr. and Mrs. Jackie Williams.

R. L. Milstead, who helped with the origination of the permanent fund for the Neinda Cemetery, was unable to attend because of illness. His daughter, Lola Milstead, was at the bedside of her father. Regular attenders at the reunion could not remember when he had been absent in the past.

Sam Hodges was elected chairman, Miss Milstead, secretary, and John R. Brown remains treasurer of the Neinda Cemetery Association.

It was reported that all enjoyed the good meal, the visiting and singing.

Local Girls Place Fourth In District

The Hamlin girls took fourth place with 56 points in the district track meet held in Coahoma Friday. The girls qualified one individual to the Regional meet to be held in Odessa Friday. Making the trip to Odessa will be Kathy Hooper who won the high jump competition with a jump of 4'8".

Coahoma edged out Colorado City for the meet honors with 133½ points.

Little League Sets Clean Up Day At Park

A clean-up, fix-up day will be held at the Little League Park Saturday beginning at 9 a.m. Anyone who would like to help is invited to come.

Registration and tryouts for boys wishing to participate in Little League baseball will be held Monday and Tuesday at the Little League Park beginning at 5:30. Girls registration and tryouts will be held Thursday and Friday, April 24 and 25, at 5:30.

Boys and girls are to bring their birth certificates and \$1.

Church Hosts Senior Citizens Here Tuesday

Senior citizens of the First United Methodist Church and guests met for a day of fun in the Fellowship Hall Tuesday. Special honorees were shut-ins and Holiday Lodge residents.

The Rev. Jim Smith presided and led the group in a song. Mrs. Earl Brown, chairman, introduced the musicians who entertained with old-time country music. Entertainers included Anton Teichelman of Sagerton, Leon McKeever and Nick Green, both of Stamford.

Transportation was provided for some and meals were carried to those unable to attend.

Mr. and Mrs. Henry Downey of Sweetwater, formerly of Hamlin, and Mr. and Mrs. Clarence Butler visited their children, Mr. and Mrs. Jack Downey, Janice and Amy in Benton, Ky. While there they attended ordination services April 6 for Jack Downey as he was named minister of evangelism at First Baptist Church in Benton. They visited in the home of Mrs. Henry Downey's sister, Mr. and Mrs. Vern Maples in Siloam Springs, Ark.

Discussion Set On Area Airport Needs

AUSTIN — A Texas Airport System joint planning conference will be held at 10 a.m., Thursday, April 24 in the Council Chambers of the Stamford City Hall.

Airport development needs of Haskell, Jones, Knox, Taylor, and Throckmorton Counties will be discussed.

Participating in the meeting will be representatives of the West Central Texas Council of Governments, city and county elected officials, airport board members, airport managers, and other citizens.

All area citizens with an interest in air transportation and airport development are invited to attend.

Benefits of air transportation to a community are not always well understood. General aviation

airports will be examined in relation to community and county development goals.

The Texas Airport System Plan is being developed for Texas and the Federal Aviation Administration by the Texas Aeronautics Commission. Technical assistance is provided by the Texas Transportation Institute of Texas A&M University.

Major activities of the Plan include inventory of existing aviation facilities, forecasting of aviation demand, comparison of present capacity with forecast needs, evaluation of alternative airport systems, developing schedules of required improvements, and identification of alternatives for financing system growth.

NEWS FROM

McCAULLEY

By MRS. FRED KEMP

McCauley 4-H met in regular session last Wednesday at 8 p.m. in the Home Economics Building. Twenty-two members participated in a program scoring themselves and each other on good grooming habits. Carla Young and Arlene Coleman gave a demonstration on making donuts from biscuit dough. After recreation, members were served one of the donuts and punch. Meeting adjourned to meet again the first Tuesday in May for a skating party and picnic which is to include the parents.

All UIL results aren't available at this time but there were many entries that did not place. Tiny Smart won third place in shorthand. Aletta Hawthorne was given an award in the One Act Play competition. Lolita Perales placed a second, third and sixth in girls track. Sam Davis placed fifth in science.

At the Jayton Track Meet Saturday, Alton Hawthorne placed fifth in 220 and came in first in the 100-yard dash but was disqualified because down the way he had stepped out of his lane. Perry Williams placed fifth in the 220 and third in the 100-yard dash.

Mr. and Mrs. Marvin Maberry of Era were guests in the home of Mr. and Mrs. Luther Maberry last week.

Mr. and Mrs. Larry Smart and Jamie of Ranger visited in the James Smart home recently.

Mrs. Bobby Smith and Cody of Mason visited in the homes of Mr. and Mrs. John Edd Reed, Mr. and Mrs. Marion Reed and the Armond Smiths last week.

Fisher County Teachers

met at Hobbs School for their final meeting of the year. Mrs. Z. Lindsey Encke, McCauley, president, presided and gave a report from the TSTA convention at Houston. She urged all members to vote April 22.

The guest speaker was Mrs. Jewel Harris of Abilene. New officers for 1975-76 are Mr. O. Anderle, Hobbs, president; Mrs. Ruth Witherspoon, Rotan, vice president; Mrs. Merle Lovett, Roby, secretary; and Mrs. Barbara Everett, McCauley, treasurer.

Max Kemp attended the 4-H Junior Leaders training meeting at Lueders Friday night and Saturday morning.

FFA Chapter Enters Four Teams At Tech

Four teams will represent the Hamlin FFA Chapter at the Texas Tech University FFA Judging Contests Saturday in Lubbock. The contests will also serve as the Double Mountain District FFA Contests and the Area II FFA Contests. The top teams in each contest will advance to the State FFA Judging Contests at Texas A & M University.

The following teams will be representing Hamlin at the Texas Tech Contests:

Livestock Judging - Russell May, Shorty McIlwain and Leroy Gardner.

Poultry Judging - Tracy Gregory, Carrie May and Guy Turner.

Dairy Cattle Judging - Randy Elmore, Gary Neal and David Brown.

Cotton Classifying - Brett McCracken, Tommy Maberry and Drew Tomlinson.

Accompanying the teams to Lubbock will be Milburn Wink and Mr. and Mrs. Gary Finley.

Singing Sunday

The Third Sunday Singing will be at Calvary Baptist Church beginning at 2 p.m. Everyone is cordially invited.

Mrs. Tom Cammack of Hobbs, N. M., visited in the home of her parents, Mr. and Mrs. A. H. Milsap from Thursday through Sunday.

Area Gets Urban Rodent Specialist

Jones County is one of 19 area counties selected to be serviced by an area Urban Rodent Control Specialist, U.S. Fish and Wildlife Service and Texas A&M University cooperating.

Larry J. Killgo, a native of Snyder, will be stationed in the County Extension Office in Abilene. He is the son of C. J. Killgo of Snyder and has a B.S. degree in Wildlife Management from Texas Tech University.

As an Urban Rodent Control Specialist, Killgo will work to help persons in urban areas with rodent problems by giving educational programs to any organized group of persons. Demonstrations will also be held in infested areas. Rats and mice, pests which threaten the area's health and economy are the most important rodents in this program.

Killgo explains that his office also distributes up to date information on controlling many other pest type animals such as sparrows, starlings, skunks, armadillos and raccoons.

Killgo can be contacted through the local County Extension Office or by writing to him C-O County Extension Office, County Courthouse, Abilene, Texas 79602 or telephone 673-0331.
